

Fallowfield Bowling and Lawn Tennis Club

One of, if not the oldest tennis club in the United Kingdom. We are proud to have Fallowfield Club as our partners who provide us with three courts annually for any of our members to play on outside of the sessions. Along with letting us use their storage sheds to ensure the safety of our equipment.

To book onto their courts outside of sessions download the Clubspark App

Found here for apple : [Clubspark App](#)

Found here for android : [Clubspark App](#)

Once you become a member of UoM Tennis Club, we will add you to their system to activate your Clubspark account and then you can book courts.
